#### STATEMENT OF CLAIM

My name is **Shemetria Triplett, Pro se Plaintiff**, in the instant civil action . I stay at **807 Beechwood Cir lot 144. Corinth Ms., 38834**. On Sunday August 22<sup>nd</sup>, 2024, me and my boyfriend (*Martez Balfour*) was sitting in the living room watching TV. We *kept seeing these 2 cars kept riding by my house real slow, they would go down the street and turn around. They did this like 3 times. The 3rd time they disappeared for like 10 minutes.* My sister car was in the driveway and my car was in front of it. I had her car because my boyfriend was working in Byhalia Ms., which *he lost his job behind this.* Then when they pulled back up after they disappeared for 10 minutes. Is when *Corinth police officer's* **Defendant Bo Swindle**, in a black Dodge Durango pulled in my front yard and **Defendant TERRIO, Defendant AARON , Defendant**

**RAMBO**, and another one **Defendant JOHN DOE**, City police trucks, the **SHERIFF OFFICER** *with the K9 DOG, JERRY ROGERS* in a white Buick Lacrosse, the **CHIEF LANDON TUCKER**, another sheriff truck, the **WILDLIFE RANGER JOHN DOE** and **2 STATE TROOPERS**. They came to my door hollering come out with your hands up *pointing guns at me* and my boyfriend. I said my door is unlocked, and my hands are up. They said anyone else in the house I said my boyfriend. Soon as I step out the door they *put me in handcuffs and my boyfriend too*. Stood us against my car, *I said where is the search warrant, they said we got it but never showed it to me*. They put us in the Police truck in front of my house never read us no Rights. They went in my house with the dog first then they went in when he came out. *They went in and tore up my house, cut all my furniture and broke the zipper on my couch pillow, tore my attic down, pulled a vent down in a room, threw my stuff from room to room. And DIDN'T FIND ANYTHING.*

*They took me to the police station and they said they can charge me with conspiracy. I said for what, they said you know what your sister is doing. I said I don't know what your talking about. He said I don't want to hear you say you don't know what I'm talking about anymore cause you do. I said I don't. She doesn't talk around me she says I talk too much. He said Oh yeah. I said yeah. They kept saying is there anything you want to tell us. I said tell you what? I said am I being arrested or what. He said idk right now. Then he walked out and came back in and said the FBI wanted to talk to you. Then he came back in and took my cuffs off and said don't get lost. BO SWINDLE* drove off in my sister Avalon and brought it back, back before they left me go. *They cut her seats in her car, they tore her front finder off of a, put a dent in it. They did something to her car the reason they tried to stall letting me go. They let my boyfriend out the police truck after they backed- up in the driveway with him still in cuffs, he said why am I still in here and in cuffs this doesn't have anything to do with me I'm not from here. They ran his license and he was clean. I had to go to the hospital I couldn't sleep, wake up crying seeing them pointing them guns at us for nothing. They put me on anxiety pills<sup>1</sup>for my nerves at the emergency room. Then Defendant Bo Swindle going to*

tell my boyfriend sorry for tearing up y'all house and I stay in government apartments. *My neighbor's* had called in on me on a Sunday wondering what was going on, why all those police were at my house. I could've gotten put out for nothing. Something that had nothing to do with me. Cause the assuming I'm holding drugs for my sister they claim they had calls saying I was but they didn't find Nothing. *They harassed my niece's when they went to see their mom at the jail that Saturday on visitation, they went to go see her. Undercover cars was waiting on them to leave they took pictures of everyone tags that went to see her. And followed them from the jail all the way to 2nd Street and stopped them. Put them in handcuffs and told them to give them their phones my niece said do you have a warrant for our phone's her said we can get one.* **BO SWINDLE.** He ran their names and said that they were selling dope. And how they going to pay for their cars now there mom's locked up. *They just terrorized us.* For nothing we don't have anything to do with none of this but it's sad how we have to put up with police brutality like this. Cause they want people to do there job for them. I just want my furniture and stuff paid for since they cut all of it for nothing. That stuff still bothers me at night time with me thinking they holding gun on me. We had went to the police station to ask for a form to do a report on the police officers, they told us they don't have a form for us to feel out on the police. But you have one for people to do on other people. We should have been able to sign a complaint on the officer's that came to my house for nothing tearing up my stuff.

I be scared to talk or anything in my house. I don't know if they bugged my house. They come in with black bags we were in the police truck in front of my house the whole time. They walked the K9 around both of our cars they said the dog sat down at both cars on the same side. I don't know if they put a tracker on my car or her car. Her car is not running right know. Bow Swindle drove off in the car after they took me to the police station to question me about my sister. And they stalled me there until they got through doing whatever they did to her car. But they messed up the front bumper. They had my boyfriend in the police truck he watching all of this after the drive off with me. They left the thing you hit the door with in front of my house. I have a cousin that stays around the corner from me. I didn't

have time to call anyone, so I said maybe she will see me and them at my house and go tell somebody.

I guess she went and told my dad cause he pulled up, my sister, my daughter and they were taking pictures of them and being smart with them when they were trying to see what was going on. I forgot about detective Suitor, he pulled up . Oglesby that the one that drive the Ford fusion.

After/ during search officers questioned me about my girlfriend sister and told me do I have anything to tell him, I said about what. I ask him why I was in handcuffs. Then he stated who are you, and I told him my name, as that went on the officer proceeded to go in my pocket for my wallet and gave it to another officer to run my name through there system. After that they left but kept me and 1 other officer there backed up in driveway. So I asked the officer what's going on and he stated he waiting for a call to see what's to do with me. After that waiting for the call and me asking him what's the issue, he got the call to uncuff me. So after that I went back into the house to look for my phone, in the process of looking in the house officer Bo Swindle pulled up returning my girlfriend sister car. Then he stated we sorry for messing up her house
